Lawson Ford Announces Registration For PP&K Contest

On Tuesday, September 2, registration will begin for the 1975 Punt, Pass & Kick competition in the showroom of Lawson Ford, Inc. In making the announcement, E. B. Bland, vice president of the dealership said, "We hope all the youngsters 8 through 13 years of age in this area will come in to register and take a part."

Mr. Bland pointed out that PP&K - - -throughout its six levels of competition - - -is free of charge, and that youngsters need only have a parent or guardian accompany them to the showroom to register.

"Our competition here will have 1st, 2nd and 3rd place trophies for contestants in each of the six age groups, or 18 trophies in all", said Bland. "Increasing each entrant's chances of winning is the fact that youngsters compete only aginst others in their own age group," said the Ford Dealer.

"Of course there is no body contact in PP&K. It's punting, passing and place-kicking for distance and points, just as the name says. First place winners in each age group in our competition will go on to the Zone competition. And from there, top winners go on up the ladder through district, Area, Division and National Finals," he said.

"This year, the National Finals will be held at the Super Bowl X in Miami on January 18, 1976. Naturaly, we hope some of our Appomattox PP&K winners will make it all the way to the Finals," he continued.

The Ford Dealer further explained that each entrant, upon registering, receives a free PP&K Tips Book. In the 1975 edition, there are competition tips by NFL stars Ray Guy, Ken Anderson and Chester Marcol. The Tips Book also includes compete PP&K rules and helpful conditioning exercises for contestants.

PP&K registrations will close at Lawson Ford on October 3.

This is the 15th anniversary year for PP&K. From its inception the youth activity has been sponsored by the Ford Dealers of America in cooperation with the National Football League. In that time more than 11.5 million youngsters have taken part in PP&K making it one of the largest youth activities.
